

UNIVERSITY OF MIAMI

Curriculum Vitae

1. Date: September 27, 2018

PERSONAL

2. Name: Marc D. Gellman

3. Home Phone:

4. Office Phone: 305-284-5483 (Medical campus) or
305 243-2044 (Coral Gables campus)

5. Home Address:

6. Current Academic Rank: Research Associate Professor

7. Primary Department: Psychology

8. Secondary Appointments: Associate Professor of Medicine

9. Citizenship: U.S.A.

10. Visa Type (if non-citizen): NA

HIGHER EDUCATION

11. Institutional: University of Miami
Ph.D. (Psychology/Behavioral Medicine) 1984

University of Miami
M.S. (Physiological Psychology) 1980

University of Miami
B.A. (Psychology/Biology) 1974

12. Non-Institutional: NA

13. Certification: NA

PROFESSIONAL EXPERIENCE

14. Academic:

University of Miami
Hispanic Community Health Study/Study of Latinos (HCHS/SOL) 2013-2019
Project Manager/Investigator
Responsible for coordination of study staff.

14. Academic (continued):

Member of 6 Subcommittees: Quality Control; Operations; Laboratory;
Physical Activity; Anthropometry/Obesity; Community Relations; and Diet.

HCHS/SOL Ancillary Study- Epidemiology of gut Microbiome, prediabetes and diabetes in Latinos
Miami Field Center, Principal Investigator 2016-2021

HCHS/SOL Ancillary Study- SOLNAS, Study of Latinos: Nutrition & Physical Activity Assessment Study
Miami Field Center, Principal Investigator 2011-2015

National Heart, Lung and Blood Institute
Ad Hoc Review Panel, Behavioral Cardiology P01 2009

University of Miami
Project Manager/Investigator 2006-2013
Hispanic Community Health Study
Responsible for coordination of staff of nurses, dieticians,
Dental hygienists, psychosocial assessors, research associates,
and outreach coordinators
Member of 7 Subcommittees: Quality Control; Examination/Operations;
Laboratory & Sample Processing; Physical Activity; Anthropometry; Clinic
Managers; Data Management

University of Miami 2000-present
Secondary Appointment
Research Associate Professor of Medicine

University of Miami
Behavioral Medicine Research Center
Associate Director for Administration 1999-present

University of Miami
Center for Psycho-Oncology Research
Administrative Core Co-Leader 1999-2004

University of Miami
Research Associate Professor of Psychology 1997-present

14. Academic (continued):

University of Miami Project Leader, Miami Unit Developing Minority Biomedical Research Talent in Psychology APA/NIGMS Multi-Center Training Grant	1996-1999
University of Miami Project Manager/Investigator Miami Clinical Unit of Multi-Center Clinical Trial, Enhancing Recovery in CHD Patients (N01-HC55143).	1995-2002
University of Miami Behavioral Medicine Research Center Scientific Liaison Responsible for coordination of two Program Projects MH 18917 and HL 07426, two Training Grants MH 49548 and HL 36588, and the ENRICHD multi-center clinical trial HL N01-HC 55143	1992-2002
University of Miami Associate Director Division of Health Psychology Responsible for academic advising and coordinating of research training, thesis and dissertation committees of 40 graduate students.	1992-present
University of Miami Secondary Research Assistant Professor of Continuing Studies	1992-2002
University of Miami Research Assistant Professor of Psychology	1986-1997
University of Miami NHLBI Post-Doctoral Fellow	1984-1986
University of Miami School of Medicine Division of Clinical Pharmacology Research Associate	1982-1984
University of Miami Department of Psychology Teaching Assistant	1980-1981
University of Miami Department of Psychology NSF Research Assistant	1977-1980

15. Non-Academic: NA

16. Military: NA

PUBLICATIONS

17. Books:

Gellman, M.D. and Turner, J.R. (2013). Encyclopedia of Behavioral Medicine. Springer Science + Business Media: New York. <https://doi.org/10.1007/978-1-4419-1005-9>. ISBN 978-1-4419-1004-2 (Print). ISBN 978-1-4419-1005-9 (eBook).

18. Book Chapters:

Gellman, M.D. (2013) Behavioral Medicine. In **Gellman, M.D.** and Turner, J.R. (Eds.) Encyclopedia of Behavioral Medicine. Springer Science + Business Media: New York (pp 193-194) doi: 10.1007/978-1-4419-1005-9_1660.

Gellman, M.D. (2013) Public Health. In **Gellman, M.D.** and Turner, J.R. (Eds.) Encyclopedia of Behavioral Medicine. Springer Science + Business Media: New York (pp 1594-1596) doi: 10.1007/978-1-4419-1005-9_338.

Gellman, M.D. (2013) Serotonin. In **Gellman, M.D.** and Turner, J.R. (Eds.) Encyclopedia of Behavioral Medicine. Springer Science + Business Media: New York (pp 1769-1722) doi: 10.1007/978-1-4419-1005-9_1660.

Gellman, M.D. (2013) Biography of Robert Ader. In **Gellman, M.D.** and Turner, J.R. (Eds.) Encyclopedia of Behavioral Medicine. Springer Science + Business Media: New York (pp 31-33) doi: 10.1007/978-1-4419-1005-9_1713.

Gellman, M.D. (2013) Biography of George Engel. In **Gellman, M.D.** and Turner, J.R. (Eds.) Encyclopedia of Behavioral Medicine. Springer Science + Business Media: New York (pp 700-701) doi: 10.1007/978-1-4419-1005-9_1714.

PROFESSIONAL

22. Funded Research:

Preconceptional health of Latinas and its association with child adiposity
Subcontract: University of North Carolina at Chapel Hill (Sotres-Alvarez)
NIH/NIDDK R01 DK116028
10/1/18-9/30/23 \$189,845 ADC
P.I. Marc D. Gellman 10% effort

Hispanic Community Health Study/Study of Latinos
P.I.: Neil Schneiderman, Agency: NHLBI HHSN268201300004I
06/01/13-05/31/19 \$9,621,633
Project Manager: 70% effort

MRI Measures of Cerebrovascular Injury and AD Atrophy in a Study of
Latinos (INCA-MRI)
Subcontract: University of California, Davis (DeCarli)
NIH/NIA RF1AG054548
7/15/17-06/30/22 \$246,979 ADC
Project Manager: 10% effort

Cardiometabolic Outcomes in Multi-ethnic Physical Activity
& Sedentary Behavior Study (COMPASS)
Subcontract: Albert Einstein College of Medicine (Mossavar-Rahmani)
NHLBI 1 R01 HL13626
12/15/2016-11/30/2020
Project Manager: 5% effort

Epidemiology of the gut microbiome, prediabetes and diabetes (GOLD)
Subcontract: Albert Einstein College of Medicine (Kaplan/Burke)
NIMHD 1 RO1MD011389
07/08/2016-02/28/2021 \$829,412 (Year 1)
P.I. Marc D. Gellman 5% effort

Investigation of NeuroCognitive Aging (INCA-SOL)
Subcontract: University of California, San Diego (Gonzalez)
NIA 1 RO1AG048642
09/01/15-04/30/2020 \$637,783
Investigator, 8% effort

Study of Latinos: Nutrition & Physical Activity Assessment Study
P.I. Marc D. Gellman 10% effort
Sub-contract: Agency: NHLBI HL095856-01A1
04/1/11-3/31/15 \$303,533

Continuation of Biobehavioral Bases of CHD Risk and Management
P.I.: Neil Schneiderman, Agency: NHLBI P01 HL 36588
05/15/07-05/14/12 \$11,974,484
Investigator/Manager, Projects 1 and 2: 50% effort

Hispanic Community Health Study
P.I.: Neil Schneiderman, Agency: NHLBI HC-06-02
9/30/06-9/29/13 \$11,290,554
Investigator/Project Manager: 50% effort

Continuation of Biobehavioral Bases of CHD Risk and Management
P.I.: Neil Schneiderman, Agency: NHLBI P01 HL 36588
7/1/01-6/31/06 \$10,125,647
Investigator: 50% effort

Center for Psycho-Oncology Research
P.I. Michael Antoni, Agency: NCI 1P50 CA84944
9/30/99-8/30/04 \$10,485,866
Investigator: 40% effort

Developing Minority Biomedical Research Talent in Psychology
Project Leader; Agency: APA/NIGMS
P.I.: Bertha Holliday; APA/NIGMS; T36 GM 08640;
9/30/96-9/29/99; \$750,203
Project Leader of Miami Unit of multi-center grant

Biobehavioral Bases of CHD Risk and Management
P.I.: Neil Schneiderman, Agency: NHLBI P01 HL 36588
7/1/96-6/31/01 \$9,237,879
Investigator: 10% effort

Enhancing Recovery in Coronary Heart Disease Patients
Multi-Center Clinical Trial- Miami Clinical Unit
P.I.: Neil Schneiderman, Agency: NHLBI N01 HC 55143
9/29/95-9/28/01 \$2,196,560
Investigator/Project Manager: 65% effort

Continuation of Psychophysiology of Cardiovascular Reactivity
P.I.: Neil Schneiderman, Agency: NHLBI P01 HL 36588
7/1/91-6/30/96 \$8,367,521
Co-Leader:Core A; Investigator: Project 1; Investigator: Project 2:

Behavioral Management and Stress Responses in HIV-1
P.I.: Neil Schneiderman, Agency: NIMH P01 MH 49548
2/1/93-1/31/98
Project 1: Investigator

Behavioral Medicine Research in Cardiovascular Disease
P.I.: Neil Schneiderman, Agency: NHLBI TG HI 07426
7/1/89-6/30/94 \$1,140,062
Faculty/Mentor

Psychophysiology of Cardiovascular Reactivity
P.I.: Neil Schneiderman, Agency: NHLBI P01 HL 36588
7/1/86-6/30/91 \$4,812,182
Core D: Laboratory Supervisor

Laboratory Experience Achievement Program
P.I.: Una Ryan and Marc Gellman
Jesse Ball DuPont Religious Charitable and Educational Fund
9/1/787-8/30/90

Biobehavioral Factors Affecting Hypertension in Blacks
P.I.: Neil Schneiderman, Agency: NHLBI
12/1/83-11/30/86 \$347,585
Research Associate

Effects of propranolol on stress in hypertensive subjects
P.I.: Marc Gellman, Agency: Ayerst Laboratories
7/1/82-6/30/84 \$50,000

23. Editorial Responsibilities:

Springer Science + Business Media Encyclopedia of Behavioral Medicine 1st edition published 2013, 2nd edition in progress, expected publication 2020	Editor-in-Chief 2009-present
Sage Publishers Behavioral Medicine & Health Psychology Series	Editorial Board 1997- 2004

24. Professional Organizations:

Member of-	
American Psychological Association, Divisions 28 & 38	
Society of Behavioral Medicine	
International Society of Behavioral Medicine	
American Psychosomatic Society	
Society of Behavioral Medicine	
Wisdom Council Member	2007-present
Digital Health Council Member	2015-
Board of Directors	1996-2007
Chair, Awards Committee	2006-2007
Co-Chair, Search Committee (Ad Hoc), Association Management	2003-2004
Chair, Search Committee (Ad Hoc), Editor Annals of Behavioral Medicine	2003
Member Delegate (elected position)	2003-2006

Continued Quality Improvement Committee	2001-2003
Program Oversight Committee Chair	2000-2003
Program Committee Chair	1999-2000
Awarded SBM Fellow status	1999
Program Committee member	1996, 1997
Education and Training Council Chair	1996-1999
Electronic Communications Committee	1996-1999
Education and Training Council	1993-1999
Chair, Curriculum Committee	1994
Campus Representative	1990-1996

International Society of Behavioral Medicine
 Nominations Committee Member 2013
 11th International Congress of Behavioral Medicine, 2008-2010
 Chair, Financial Planning Committee
 Program Advisor

10th International Congress of Behavioral Medicine, 2006-2008

Program Advisor, Tokyo, Japan

9 th ICBM Scientific Program Committee Co-Chair	2004-2006
Secretary ISBM (elected)	2004-2008
Communications Committee Chair	2000-2004

American Psychological Association,
 Division 38, Health Psychology

Program Committee	1992, 1996-2002
-------------------	-----------------

First Regional Latin-American and Caribbean
 Meeting on Behavioral Medicine, Mexico City
 Organizing Committee Member

2005

25. Honors and Awards:

Distinguished Career Contribution Award International Society of Behavioral Medicine	2016
---	------

Miami Magnet Award, Greater Miami Convention & Visitors Bureau, 2007
 Distinguished Service Award, International Society of Behavioral Medicine, 2006
 Outstanding Service Award, International Society of Behavioral Medicine, 2008
 Visiting Faculty, Mahidol University, Thailand, 2003
 Distinguished Service Award, Society of Behavioral Medicine,
 2002, 2003, 2004, 2008

Fellow, Society of Behavioral Medicine, 1999
 Citation Poster Award, Society of Behavioral Medicine, 1992
 Who's Who Among Students in American Universities and Colleges, 1984

26. Post-Doctoral Fellowships:

NHLBI Post-Doctoral Fellow in Behavioral Medicine, 1984-1986

27. Other Professional Activities: **Presentations**

Symposium Discussant- Implementation Science? Translating the Efficacy Drug Abuse Treatment Research Into the Community. International Congress of Behavioral Medicine, Budapest, Hungary, 2012

Symposium Presenter- Cardiovascular Disease Risk: Putative Relations among Type 2 Diabetes, Metabolic Syndrome, Depressive Symptoms and Inflammatory Biomarkers. International Congress of Behavioral Medicine, Budapest, Hungary, 2012

Paper Session Chair- Behavioral and Emotional Risks in Weight Gain and Diabetes. International Congress of Behavioral Medicine, Budapest, Hungary, 2012

Symposium Chair- Presidential Symposium: The Status of the Science of Cardiovascular Behavioral Medicine: Capitalizing on its Multidisciplinary Focus. Annual Meeting of the Society of Behavioral Medicine, Washington, D.C., 2011

Symposium Chair and Presenter- Cardiovascular Regulation, Reactivity, and Recovery. International Congress of Behavioral Medicine, Washington, D.C., 2010

Paper Session Chair and Discussant- Feeling the Blues: The Role of Depression in Cardiovascular Disease. Annual Meeting of the Society of Behavioral Medicine, Montreal, 2009

Symposium Chair and Presenter- Improving the relevance of multi-site studies: An international perspective. International Congress of Behavioral Medicine, Tokyo, 2008

Oral Session Chair- Substance Abuse Issues. International Congress of Behavioral Medicine, Tokyo, 2008

Panel Chair and Discussant- Breakfast Roundtable, International Society of Behavioral Medicine, Annual Meeting of the Society of Behavioral Medicine Annual Meeting, San Diego, 2008

Symposium Presenter- Looking into the future: Examining the health of Hispanics in the United States. Annual Meeting of the Society of Behavioral Medicine, San Diego 2008

Session Chair- Highs and Lows of blood pressure: Measurement and Management Issues. Annual Meeting of the Society of Behavioral Medicine, San Diego 2008

Panel Chair and Discussant, Breakfast Roundtable, International Society of Behavioral Medicine, Society of Behavioral Medicine Annual Meeting, Washington, D.C., 2007

Session Chair- You Are What You Eat: Nutrition Factors in Behavioral Medicine, Society of Behavioral Medicine Annual Meeting, Washington, D.C., 2007

Co-Chair, Scientific Program Committee, International Congress of Behavioral Medicine, Bangkok, Thailand, 2006

Panel Chair and Discussant. Behavioral Medicine Education and Training Lunch Roundtable, International Congress of Behavioral Medicine, Bangkok, Thailand, 2006

Session Chair, Coronary Heart Disease, International Congress of Behavioral Medicine, Bangkok, Thailand, 2006

Presenter, Changes in depressed affect and inflammation after myocardial infarction, International Congress of Behavioral Medicine, Bangkok, Thailand, 2006

Panel Chair and Discussant, Breakfast Roundtable, International Society of Behavioral Medicine, Society of Behavioral Medicine Annual Meeting, San Francisco, 2006

Session Chair, International Challenges in Behavioral Medicine, Society of Behavioral Medicine Annual Meeting, San Francisco, 2006

Invited Speaker- Drug Awareness Week
Council for Democracy, University of Miami, Coral Gables, FL, 2006

Invited Presenter and Panel Discussant – Behavioral Medicine Education Training and Research Methods. First Regional Latin-American and Caribbean Meeting on Behavioral Medicine, Mexico City, 2005.

Panel Chair and Discussant. Stress: assessment models and therapeutic interventions. First Regional Latin-American and Caribbean Meeting on Behavioral Medicine, Mexico City, 2005.

Invited Presenter Cognitive behavioral stress management and therapeutic interventions in post-myocardial infarction patients. First Regional Latin-American and Caribbean Meeting on Behavioral Medicine, Mexico City, 2005.

Workshop Presenter Behavioral Medicine Education and Training
First Regional Latin-American and Caribbean Meeting on Behavioral Medicine, Mexico City, 2005.

Invited Workshop

Behavioral Medicine: Education, Training and Research Methods
Chiang Mai University, Chiang Mai, Thailand, December 2004

Chairperson and Presenter

Roundtable on Behavioral Medicine Education and Training
4th Annual International Conference of the Thai Society of Behavioral Medicine, Bangkok, Thailand, December 2004

Invited Lecture

Cognitive Behavioral Stress Management and Therapeutic Intervention in Post Myocardial Infarction Patients
4th Annual International Conference of the Thai Society of Behavioral Medicine, Bangkok, Thailand, December 2004

Invited Workshop

Behavioral Medicine: Education, Training and Research Methods
Mahidol University, Bangkok, Thailand, December 2004

Panel Discussant – Behavioral Medicine Education and Training
Eighth International Congress of Behavioral Medicine, Mainz, 2004.

Paper Session Chairman – Illness Behavior

Eighth International Congress of Behavioral Medicine, Mainz, 2004.

Paper Session Chairman and Discussant- Hypertension

Society of Behavioral Medicine, Baltimore, 2004.

Invited Workshop

Behavioral Medicine Research Center: Teaching and Research Programs
Mahidol University, Bangkok, Thailand, July 2003

Invited Lecture

Cognitive Behavioral Intervention in Post Myocardial Infarction Patients

Thai Forum of Behavioral Medicine, Bangkok, Thailand, July 2003

Symposium Chair

The Use of the Internet as a Communications Tool in Behavioral Medicine
Seventh International Congress of Behavioral Medicine, Helsinki, 2002.

Symposium Chair

Indices of Cardiovascular Health and Behavior in Adolescents
Society of Behavioral Medicine, Nashville, 2000.

Symposium Chair and Presenter- Ambulatory Blood Pressure Monitoring:

Integration of Research into Health Care

Society of Behavioral Medicine, San Diego, 1999.

Paper Session Chairman and Discussant- Emotional, Cognitive, and

Behavioral Factors in Cardiovascular Disease

Society of Behavioral Medicine, New Orleans, 1998.

Paper- The relationship between insulin resistance and sodium sensitivity using multiple blood pressure.

Session- Physiological and genetic pathways to understanding cardiovascular reactivity and hypertension.

Society of Behavioral Medicine, San Francisco, 1997.

Roundtable: Using the Internet and WWW in Research

Fourth International Congress of Behavioral Medicine, Washington, D.C., 1996.

Paper- The influence of sodium intake on ambulatory blood pressure in insulin resistant subjects.

Session- Methodological advances in cardiovascular research.

Society of Behavioral Medicine, San Diego, 1995.

Symposium- Monitoring arterial hemodynamics in Behavioral Medicine:

Impedance cardiography and model-flow method.

Third International Congress of Behavioral Medicine, Amsterdam, 1994.

Workshop- From the laboratory to the field: the generalizability of cardiovascular reactivity.

Society of Behavioral Medicine, New York City, 1992.

Paper- A comparison of work and non-work ambulatory blood pressure.

Symposium- Applications of behavioral diaries to ambulatory monitoring.

Society of Behavioral Medicine, Washington, D.C., 1991.

Paper- Sources of variation in ambulatory blood pressure.

Conference- Temporal Variations of the Cardiovascular System.

Celle, Germany 1990.

Paper- Repeatability of ambulatory blood pressure and heart rate over days: Does activity make a difference.

First International Congress of Behavioral Medicine, Uppsala, Sweden 1990

Poster- Ambulatory blood pressure as a function of position, place and mood.

American College of Clinical Pharmacology, Orlando, Fl 1988

Invited Talk- Stress and your heart.

Alumni College, University of Miami, Coral Gables, Fl, 1988

Workshop - Cardiovascular Reactivity: Measurement and Meaning.

Society of Behavioral Medicine, Boston, Mass., 1988.

Poster- Prediction of ambulatory blood pressure as a function of laboratory reactivity, race, and gender.

Society of Behavioral Medicine, Washington, DC, 1987.

Symposium- Community approaches to drug abuse prevention,

International Cocaine Conference, FAU, Boca Raton, FL, 1987.

Paper- Ambulatory blood pressure as a function of race gender, place, and mood.

American Heart Association, Dallas, TX, 1986.

TEACHING

28. Teaching Awards Received: NA

29. Teaching Specialization (courses taught):

University of Miami

Department of Psychology

Principles of Psychology as a Biological & Behavioral Science, PSY 102

Orientation to Research in Psychology, PSY 120

Psychology of Drugs and Behavior, PSY 305 1979-2012

Psychology of Drugs and Behavior, PSY 320 2013-present

Orientation to the Study of Psychology (FORUM), PSY 120 2013

Psychobiology, PSY 402

Psychopharmacology, PSY 691

Departments of American Studies, English, and History
The Sixties (Interdisciplinary course)
Lectures on the Psychedelic 60's and the Woodstock Generation
2002, 2007, 2009, 2012, 2014, 2017

Department of Biomedical Engineering
Unified Medical Sciences, BME 502

School of Medicine
Neuropharmacology Lectures
Mechanisms of Disease, Endocrinology Section, Stress Research
Pharmacology, CNS Section, Substance Abuse

School of Continuing Studies
Pharmacology of Drug Dependency, CD 102
Psychopharmacology of Substance Abuse

30. Thesis and Dissertation Advising:

Doctoral Dissertation Committees:

Nancy Tischenkel	Committee Member	1988	CV Reactivity
Susan Spitzer	Committee Member	1988	Ambulatory Blood Pressure
Richard Nelesen	Committee Member	1989	Blood Pressure Regulation
Jane Ansley	Committee Member	1992	Hyperinsulinemia
Peter Hayashi	Committee Member	1992	Ambulatory Blood Pressure
Lori Reinke	Committee Member	1992	Ambulatory Blood Pressure
Donna Philips	Committee Member	1993	GI Reactivity
Larry Cieply	Committee Member	1995	Codependency Construct
Julie Landel	Committee Member	1995	Diabetes in Pregnancy
Rachel Copen	Committee Member	1996	CV Reactivity and Anger
Evelyn Sullivan	Committee Member	1997	CV Reactivity
Franklin Van Splunteren	Comm. Mem	1998	Information Systems
Carol Gallaher	Committee Member	1999	CV Function & Metabolism
Leslie Alhanati	Committee Member	2001	Blood Pressure in Adolescents
Dan Falk	Committee Member	2002	Blood Pressure in Adolescents
Neal Baker	Committee Member	2002	HIV+ and Drug Abuse
Paul Wachowiak	Committee Member	2009	Depression and Heart Disease
Hsin-hua Lin	Committee Member	2009	ENRICHED
William Arguelles	Committee Member	2011	Metabolic syndrome in HCHS
Ashley Moncrieft	Committee Member	2013	Weight Loss in Diabetics
Carrie Brintz	Committee Member	2014	Sedentary behavior & CVD risk
Diana Chirinos	Committee Member	2015	Metabolic syndrome & sleep
Richard Singer	Committee Member	2016	CVD & periodontal disease

Dept. of Public Health Sciences

30. Thesis and Dissertation Advising: (continued)

Tali Elfassy	Committee Member	2016	Dietary Na, K, and obesity Dept. of Public Health Sciences
Samantha Reina	Committee Member	2017	Ethnicity, stress, & CVD

Master's Thesis Committees:

Susan Spitzer	Committee Member	1986	Ambulatory Blood Pressure
Richard Nelesen	Committee Member	1987	Blood Pressure Regulation
Peter Hayashi	Committee Member	1990	Ambulatory Blood Pressure
Julie Landel	Committee Chair	1993	Ambulatory Blood Pressure
Carol Gallaher	Committee Member	1996	Gestational Diabetes
Paul Wachowiak	Committee Member	2005	Depression and Heart Disease
Diana Chirinos	Committee Member	2012	Metabolic syndrome & Leptin
Karin Garcia	Committee Member	2014	Stress & Type 2 Diabetes
Ruthanne Cain	Committee Member	2017	Substance Use Disorder School of Music, Music Therapy Program

Senior Honors Thesis Committee:

Maria Metaweh	Committee Member	2014	Qualitative study of people living with HIV
Ali Bicki	Committee Chair	2011	Physical Activity, Type 2 Diabetes, and Depression
Lee Kissel	Committee Member	2017	Molecular mechanisms of photoreceptor survival

31. Mentorship for Specialized Programs:

APA/NIGMS: Developing Minority Biomedical Research Talent in
Psychology, PRIME, Program Mentor 1998-2003, 2008, 2009

University of Miami Undergraduate Students
Individual Research Projects, PSY 367/368, 280/380 1980-present

High School Student Research Programs
Minority Access to Research Careers (MARC) 1988-1993
American Heart Association Summer Scholars 1986-1996

Dade County Public Schools
Community Laboratory Program 1986-1993
Laboratory Orientation Program 1987-1994

Invited presentation on Social Relationships and Drug Use 2016
to University of Miami Greek organization Delta Delta Delta

32. University Committees and Administrative Responsibilities:

Faculty Senate:

Administrative Services Committee, Chair	2015-2016
Member	2014-2015
Facilities & Planning Committee Member	2012-2015
Ad hoc committee ADCRFA	2009
Purpose- review of faculty/administration committees	

Miller School of Medicine

Office of Research	2010
Ad hoc committee: Clinical Research Coordinators job descriptions	
Postdoctoral Programs Steering Committee	2006-2010
Operations Committee, Task Force Chair	2005-2006
Clinical Research Building	
General Advisory Committee,	2001-2009

General Clinical Research Center, School of Medicine

Member, Scientific Advisory Committee	2005
UM/Humana Health Services Research Center	
Research Council, Graduate School Representative	1999-2002
Department of Psychology Computer Committee	1998- present
Department of Psychology Library Liaison	1995-1999
Division of Health Psychology	
Chair, Admissions Committee	1992-present
Graduate School Maytag Committee	1996-2009
Faculty Senate Facilities Planning Committee	1998-2002
Faculty Senate Student Affairs Committee	1989-1996
Faculty Council, School of Continuing Studies	1992-2002
Admissions Comm., School of Continuing Studies	1993-2001
Advisory Committee, Center Addition Studies & Education,	1991-2002
Advisory Board	
Substance Abuse Prevention and Education Center	1990-1998

- | | |
|---------------------------------------|-----------|
| Residential College Faculty Associate | 1991-1999 |
|---------------------------------------|-----------|
33. Community Activities:
- | | |
|--|-----------|
| Up Front Drug Information, Inc. | |
| Chairman, Board of Directors | 1985-1994 |
| Member, Board of Directors | 1979-2000 |
| The Miami Coalition for a Drug Free Community | |
| Board Member | 1988-2000 |
| American Heart Association of Greater Miami | |
| Board Member | 1989-1992 |
| Chairman, Hypertension Committee | 1991-2000 |
| Member, Hypertension Committee | 1988-2000 |
| Member, Summer Scholars Program | 1987-2000 |
| Chairman, Summer Scholars Program | 1990-1992 |
| Member Speakers Bureau | |
| South Florida Regional Science and Engineering Fair | |
| Senior Judge, Medicine and Health | 2013-2016 |
| International Science and Engineering Fair Judge | 1994 |
| Florida State Science and Engineering Fair | 1990 |
| Judge | |
| Dade County Science and Engineering Fair | 1988-2000 |
| Judge | |
| Dade County Public Schools/ Science and Engineering Fair | 1988-2000 |
| Scientific Review Committee | |
