19. Other works, publications and abstracts:

Member of the INACSL Standards of Best Practice: Simulation committee. Currently, leading team for development of a new standard (confidential at this time). Lead author on standard team.

20. Other works accepted for publication:

PROFESSIONAL

21. Funded Research Performed (include all grants received in the last five years, identifying the principal investigator and the amounts and dates of the awards):

2012: The Pennsylvania Higher Education Nursing Schools Association (PHENSA)
\$5000.00 grant award with Dr. Janene Szpak and Dr. Kirstyn Kameg

“Use of Standardized Patients to Reduce Nursing Students' Anxiety Related to Communicating with Patients Experiencing Mental Illness,” **Funded.**

Spring 2015: Participated in HRSA grant proposal, Leveraging Educational Innovation for Team care of Older Adults (LIFT): Geriatrics Workforce Enhancement Program, as a Standardized patient adviser, Total Requested: \$1,804,240.63; **Non-funded.**

22. Editorial responsibilities:

June 2018 – **present** Editorial Review Board Member and Reviewer for International Journal of Cyber Research and Education (IJCRE)

Fall 2015- **present** Manuscript reviewer
Clinical Simulation in Nursing, journal for International Nursing Association for Clinical Simulation and Learning (INACSL)
Nurse Education Today journal

Fall 2012 – present Research poster and abstract reviewer
Grant Reviewer
International Nursing Association for Clinical Simulation in Learning (INACSL)

Summer 2019 Abstract Reviewer
Society for Simulation in Healthcare International Meeting

23. Professional and Honorary Organizations (member; officer; date):

June 2017 – **present** Invited member of the Standards Committee for International Nursing Association for Clinical Simulation and Learning (INACSL).

Apr 2016 – Apr 2019 Nurse Planner for International Nursing Association for Clinical Simulation and Learning (INACSL) ensuring ANCC compliance for programs

Jan 2016 – Apr 2019 SSH/INACSL Content Task Force Committee
Joint task force committee to develop curricular content for Regional Simulation Workshops for Society for Simulation in Healthcare (SSH) and for International Nursing Association for Clinical Simulation and Learning (INACSL)

March 2013-**present** RMU RISE Center Advisory Board

Fall 2012- **present** INACSL Research Committee Member

24. Honors and Awards:

Robert Morris University Distinguished Alumni Award, 2018
Alpha Chi National Honor Society, 2011
Pocket Nurse Scholarship for International Nursing Association for Clinical Simulation and Learning (INACSL) Conference June 2011
Sigma Theta Tau International Honor Society for Nurses, 2011

25. Post-Doctoral Fellowships: N/A

26. Other Professional Activities (e.g., papers presented; performances; conference proceedings; seminar or conference panel member; catalogue work; etc.):

June 2018 “Design Your Simulation-Based Experience Using the INACSL Standards: A Hands-On Workshop” Peer reviewed preconference workshop at the 2018 International Nursing Association for Clinical Simulation and Learning (INACSL), Toronto, Canada in collaboration with the members of the Simulation: Standards of Best Practice committee

Feb 2018 Peer reviewed Poster presentation: *Meeting the Demand: Preparing Nurse Educators for Simulation Based Learning*, co-presented with Dr. Jessica Kameron at Master’s Essential Conference, Anaheim, CA

April 2018 Invited and paid presenter for SSH-INACSL Regional Simulation Workshop with Dr. Suzan Kardong-Edgren –to regional partners - educating on best practices in simulation learning

June 2017 “A bi-weekly simulation and clinical rotation model that increased simulation use from 10% to 30% and saved time, money, and improved student assessment in a pre-licensure BSN program”
Accepted as a co-author for presentation and was presented by co-authors, Dr. Janice Sarasnick and Dr. Valerie Howard. *I was unable to attend conference and not part of the presentation.
Peer review podium presentation at 2017 International Nursing Association for Clinical Simulation and Learning (INACSL), Washington, D.C.

June 2016 “Seeking Consensus on Prebriefing”
Peer review podium presentation at 2016 International Nursing Association for Clinical Simulation and Learning (INACSL), Grapevine, TX

Jan 2016 “Seeking Consensus on Prebriefing: Preparing students for simulation-based learning” E-poster presentation and professor rounds at 2016

- International Meeting for Simulation in Healthcare (Society for Simulation in Healthcare)
San Diego, CA
- June 2015 “Two successful approaches to creating an orientation and development program for educators in the pedagogy of simulation which contributed to SSH accreditation in free standing nursing programs.”
Peer Reviewed podium presentation at 2015 International Nursing Association for Clinical Simulation and Learning (INACSL), Atlanta, GA
- “Exploring Transformational Leadership in Simulation Education: A Case Study”
Peer review poster presentation: at 2015 International Nursing Association for Clinical Simulation and Learning (INACSL), Atlanta, GA
- June 2014 Pre-conference peer reviewed workshop on Simulation Center Accreditation at 2014 International Nursing Association for Clinical Simulation and Learning (INACSL), Orlando, FL
- June 2013 “Cash in with Student Workers”
Peer reviewed podium presentation at 2013 International Nursing Association for Clinical Simulation and Learning (INACSL), Las Vegas, NV
- Oct 2012 “Simulation for the Nurse Educator”
Invited speaker at Sigma Theta Tau Upsilon Phi Chapter Meeting
Robert Morris University, Moon Township, PA
- Sept 2012 “Using High Fidelity Mannequins and Standardized "Nursing Students" to Train Clinical Nurse Educators”
Peer reviewed poster presentation at the Sigma Theta Tau International Honor Society of Nursing Leadership Forum
Indianapolis, IN
- June 2012 “The Given Circumstances” Model for Standardized Patient Training: Theater and Nursing Unite!
Peer reviewed podium presentation with Dr. Ken Gargaro and Dr. Valerie Howard – 2012 International Nursing Association for Clinical Simulation and Learning (INACSL), San Antonio, TX
- June 2011 “Bibbidi Bobbidi Boo: Student Workers will Transform YOU!”
Peer reviewed poster presentation with BSN students Abigail Hebb and Alissa Newton 2011 International Nursing Association for Clinical Simulation and Learning (INACSL), Orlando, FL
- Jan 2011 “Simulation Themes and Variations: Simulation for the Nurse Educator”
Peer reviewed podium presentation with Dr. Valerie Howard
2011 International Meeting for Simulation in Healthcare
New Orleans, LA
- Nov 2010 “Pearls of Wisdom: Qualities of an Effective Nurse Preceptor”

Poster presentation - Allegheny General Hospital Nursing Symposium
Conducted with Robert Morris University undergraduate nursing students

- 2010 “C. Difficile Initiative- A Quality Improvement Project”
Poster Presentation: UPMC Passavant at Cranberry
- 2009 “Medication Reconciliation - A Quality Improvement Project”
Poster presentation – UPMC Passavant at Cranberry (2009)
- 2008 “MRSA Swab Initiative Quality Improvement Project”
Poster presentation – UPMC Passavant at Cranberry (2008)

Lunch and Learn Staff Development In-services and poster presentations
UPMC Passavant at Cranberry March 2008 – Dec 2008 on various clinical topics.

Student Nurse In-services (2008 -2010) for Community College of Allegheny County
UPMC Passavant at Cranberry

TEACHING

27. Teaching Awards Received: N/A
28. Teaching Specialization (Note briefly courses taught, new courses developed, innovative or experimental teaching etc.)

Specialty areas: Simulation prebriefing, facilitation, and debriefing; classroom; online; hybrid, lab, nursing research, critical care, medical-surgical nursing, nursing education

Previous Experiences at Robert Morris University:

Developed Simulation Certificate program at RMU RISE Center consisting of three 3 credit online courses (9 credit simulation certificate)

Leadership in Simulation Facilitation and Instruction, HSAM 6200

Organizational Leadership and Management Concepts in Simulation,
HSAM 6400

Advanced Concepts in Simulation Facilitation and Leadership, HSAM
7200

Simulation Curriculum Integration in BSN and DNP programs

Developed simulation to train clinical faculty

Foundations of Nursing Practice Theory and Lab

Nursing Clinical for Care of the Advanced Medical Surgical Patient (Critical Care)

Developed Standardized Patient program at RMU

Nursing Research

Healthcare Quality and Safety

Advanced Professional Nursing Practice, Leadership practicum

Preparation for Professional Practice

Transitions for Professional Nursing
