EXPERIENCE

14. Academic:

University of Miami School of Nursing and Health Studies; Lecturer, 2018 - present

University of Massachusetts Amherst; Adjunct Professor; 2017 – 2018

University of Miami School of Nursing and Health Studies; Nurse Specialist and Clinical Instructor, 2016- 2018

Massachusetts College of Pharmacy and Health Sciences (MCPHS); Adjunct Clinical Instructor - Community and Public Health Nursing; 01/2011 – 12/2011

15. Non-Academic:

University of Miami (UM), Miami, FL; Quality Assurance Auditor; 08/2013 – 04/2016

- Conducted routine and focused audits of human subject research protocols to ensure compliance with federal and local regulations and guidelines and research site specific SOPs.
- Advised appropriate institutional officials of deficiencies and recommends necessary corrective actions, with follow up to ensure that needed actions have been implemented.
- Remained in compliance with federal, state, and local regulations and/or extramural agencies' requirements or as requested by the Institutional Official, investigated and/or conducted inquiries of laboratories and research protocols.
- Prepared reports of investigations/inquiries for internal and/or external use.
- Assisted Executive Director in the preparation and presentation of educational programs to groups and individuals in the University research community.
- Monitored new legislation or changes in regulations that might affect the University's compliance in conducting research, recommending changes to administrative policies and procedures, as appropriate.
- Interacted with appropriate persons/agencies (e.g., Offices of Environmental Health and Safety, Human Subjects Research Office, HIPAA Office, Billing Compliance, etc.) to resolve research-related compliance problems.
- Assisted Executive Director in the creation and maintenance of internal policies and SOPs as well as University-wide policies intended to assist University researchers in maintaining compliance with research standards and guidelines.
- Maintained RCQA related databases and electronic and paper audit files

Harvard School of Public Health (HSPH) / Dana Farber Cancer Institute (DFCI); Project

Director; 03/2012 – 07/2013

- Responsible for overseeing all aspects of a CDC-sponsored study aimed at improving the overall health and well-being of nurses, including adherence to schedule and budget requirements
- Hired, trained, and supervised project staff members, including health educators, intervention coordinators, research assistants, survey assistants, and subcontracted vendors
- Interfaced and coordinated with external groups working on the project, including the CDC, data management teams, hospital leadership, advisory boards, and other vendors needed to implement the project
- Responsible for design, implementation, and oversight of an administrative database with records for over 9,500 study participants
- Responsible for the design and implementation of baseline and follow-up surveys of study participants
- Development of study protocols, IRB reports and amendments, annual CDC report, and other reports as needed

Boston Preparatory Charter Public School; School Nurse / Health Educator; 10/2009 – 12/2011

- Promoted and protected the optimal health status of over 500 school age children
- Screen and evaluate findings of deficit in vision, hearing, scoliosis, growth, etc.
- Develop and implement student health plans
- Interpret the health status of students to parents and school personnel
- Initiate referral to parents, school personnel or community health resources for intervention, remediation and follow-through
- Develop procedures and provide for emergency nursing management for injuries/illnesses
- Promote and assist in the control of communicable diseases
- Plan, implement, and evaluate health promotion curriculum and instruct students, adhering to state education requirements
- Counsel students concerning problems such as pregnancy, sexually transmitted diseases and substance abuse in order to facilitate responsible decision-making practices
- Coordinate school and community health activities and serve as a liaison health professional between the home, school and community

Dana Farber Cancer Institute; Clinical Project Management Consultant, Hematological Oncology/Cancer Vaccine Center; 12/2007 – 08/2008

- Part time position overseeing Clinical Research Coordinator IV and directing Cell Manipulation Core Lab staff on the specifics of sample processing according to specified clinical trials
- Regulatory and project management of emerging clinical trials in the Cancer Vaccine Center

Dana Farber Cancer Institute; Clinical Research Coordinator IV, Melanoma Program; 06/2007

– 12/2007

- Managed all aspects of several clinical trials from study start-up to completion, including extensive contact with the Institutional Review Board, Principal Investigators, Nursing, and other study staff
- Coordinated all aspects of protocol procedures, compliance, and execution, including completion of Case Report Forms, sample collection, processing, and shipping

Dana Farber Cancer Institute; Clinical Research Coordinator IV, Hematological Oncology/Cancer Vaccine Center; 06/2005 – 06/2007

- Duties performed as below, with the addition of new studies panning multiple disease groups for an emerging therapy utilizing patients' own tumor cells in the development of a cancer vaccine
- Development and amendments of new and existing clinical studies

Dana Farber Cancer Institute; Clinical Research Coordinator III, Hematological Oncology/Cancer Vaccine Center; 06/2005 – 06/2007

- Duties performed as below, with the development of a new clinical database system that allows tracking of all Hematological Oncology patients through their entire clinical course at DFCI
- Development and amendments of new and existing clinical studies

Dana Farber Cancer Institute; Clinical Research Coordinator II, Hematological Oncology/Cancer Vaccine Center; 06/2003 – 06/2004

- Managed all aspects of several clinical trials from study start-up to completion, including extensive contact with the Institutional Review Board, Principal Investigators, Nursing, and other study staff
- Developed new methods for identifying potential clinical sample, obtaining consent, and procuring sample for research studies
- Responsible for database development, refinement, as needed, and data integrity therein
- Developed and implemented methods to connect data relevant to each sample across clinical databases, and across member hospitals

Harvard Clinical Research Institute, Clinical Project Management Coordinator; 09/2001 – 06/2003

- Participated in the daily running and management of large-scale, multi-center registry and randomized cardiovascular trials as a member of multiple, protocol-specific teams
- Developed study protocols, Case Report Forms, Case Report Form Instructions, and Manual of Procedures

16. Military: N/A

DNP Profile - University of Massachusetts Amherst – July 17, 2017

(<https://www.umass.edu/nursing/news-events/news/dnp-profile-evan-mcewing>)

DNP Clinical Scholarship Award – Presented May 11, 2017

Dr. Rachel Tierney Scholarship – 2015-2016 School Year, University of Massachusetts Amherst

Dr. Rachel Tierney Scholarship – 2013-2014 School Year, University of Massachusetts Amherst

Nursing Leadership Award – Presented May 14, 2009

Peer Mentorship Award – Presented May 11, 2009

Peer Scholar – Massachusetts College of Pharmacy and Health Studies, 2007-2009

Class Representative - Massachusetts College of Pharmacy and Health Studies, Boston Nursing Class of 2009. 2007-2009

25. Other Professional Activities:

Doctoral Project/Paper Presentation: Delivering Culturally Competent Care to the Lesbian, Gay, Bisexual, and Transgender (LGBT) Population

Meeting Presentation:

McEwing, E. (2017, May). *Delivering Culturally Competent Care to the Lesbian, Gay, Bisexual, and Transgender (LGBT) Population*. Podium Presentation at UMass Amherst Scholarship Day in Amherst, MA.

McEwing, E. (2017, October). *Responses to LGBT Bullying Among Students and Faculty in the Miami-Dade School System*. Poster Presentation at American Public Health Association annual meeting in Denver, CO.

McEwing, E. (2017, October). *Perceptions of anti-LGBT bullying among students and faculty in the Miami-Dade school system* Pediatric Social Justice Panel Discussion at American Public Health Association annual meeting in Denver, CO.

Other:

McEwing, E. (2016, August) *Measuring Community-based Organization Engagement*. Presentation at the University of Miami School of Nursing and Health Studies

TEACHING

26. Teaching Awards Received: N/A

27. Teaching Specialization: Community and Public Health Nursing, Clinical Simulation

Courses Taught:

University of Miami School of Nursing and Health Studies:

NUR 304- Adult Health I, Undergraduate BSN program, Clinical Skills and Simulation
NUR 314- Health Assessment and Promotion, Undergraduate BSN program, Laboratory Instructor, Guest Lecturer
NUR 308- Adult Health II, Undergraduate BSN program, Clinical Skills and Simulation
NUR 320- Child and Adolescent Health Nursing, Undergraduate BSN program, Clinical Skills and Simulation
NUR 411- Adult Health III, Undergraduate BSN program, Clinical Skills and Simulation
NUR 441- Public Health Nursing, Undergraduate BSN program, Clinical Instructor, Clinical Simulation, Guest Lecturer
NUR 448- Psychiatric Mental Health Nursing, Undergraduate BSN program, Simulation
NUR 453- Role Transition, Undergraduate BSN program, Clinical Skills and Simulation

University of Massachusetts Amherst

NUR750 – Advanced Public Health Nursing II, DNP program
NUR798LL – Practicum – Advanced Public Health Nursing Practice II

University of Miami Miller School of Medicine:

Coercion and Undue Influence in Research, Quarterly course for research personnel, 2014 - 2016

Guest Lectures:

University of Miami School of Nursing and Health Studies:

NUR440 – Public Health Nursing – *Caring for the LGBT Population*, 08 April 2016
NUR440 – Public Health Nursing – *Caring for the LGBT Population*, 11 April 2016
NUR441 – Public Health Nursing – *Providing Culturally Competent Care to the LGBT Community*, 23 Sep 2016
NUR412 – Epidemiology for Population-based Care - *Providing Culturally Competent Care to the LGBT Community*, 09 Nov 2016
NUR441 – Public Health Nursing – *Care of Adolescents and School Nursing*, 11 Nov 2016
NUR314 – Health Assessment and Promotion – *Vital Signs and Pain*, 31 Jan 2016
NUR441 – Public Health Nursing- *Care of Adolescents and School Nursing*, 24 Mar 2016

28. Thesis and Dissertation Advising/Post-doctoral student: N/A

SERVICE

29. University Committee and Administrative Responsibilities:

LGBT Community Advisory Board, University of Miami School of Nursing and Health Studies; Miami, FL; 2016 – present

30. Community Activities:

Board of Directors, Yes Institute; Miami, FL; 2016 - present

Clinical Education Faculty, Yes Institute; Miami, FL; 2015 - present

Volunteer, Yes Institute; Miami, FL; 2015 – present

Member, APHA Public Health Nursing Awards Committee; October 2017 – present

Abstract Reviewer, APHA Annual Meeting; 2017 – present
